Where we're at Today

- Launched almost 1 year ago
- Adoption slowed by login issues
- Those issues should be resolved
- Limited time to actively manage SCO Central

What's Next for SCO Central

- 1) Can't grow without your help
- 2) Need volunteers: moderators, blog writers, resource gatherers, WordPress managers
- 3) WAVES involvement would help stabilize & sustain
- 4) Without new momentum, may sunset by end of 2025 😞
