CPL Changes Trajectories

Santiago Vega Jr. (center) is a Marine Corps veteran (MOS: 3531 Motor Transportation Operator and Repair); first generation college; recipient of 17 credits for military training; completing Kinesiology BS this year at CSU Fullerton--no debt, no wasted time, units, nor benefits.

Santiago Vega Sr. (left), is a Marine Corps veteran (same MOS as Jr.) When Mr. Vega, who owns a successful lighting business, learned that he could also qualify for 17 units for his military training, he decided to pursue an AA in Social and Behavioral Sciences and is well on his way to completion.

Josie Vega (right), Wife, Mother, Business Partner. Inspired to also broaden her opportunities, Mrs. Vega decided to add a college degree to her career and is now working full-time toward a Sociology AS.

The Vegas now study together in the evenings at the dinner table.

Reality in CA Public Higher Ed

- Typical military credit: 0-4 units for PE
- Service member needs to petition for credit
- Treatment is not equitable at colleges
- No upfront CPL offers so 1st time college goers not attracted

CA MAP Initiative Cohort

76 Colleges serve 17,287 (74%) of the 23,463 CCC GI Bill Recipients to begin to:

- Change policy, procedure, and personnel to facilitate CPL.
- Process JSTs and non-military certs to articulate & award in MAP.
- Align system policies to ensure transfer (CCC, CSU, UC).
- Adopt Articulations from each other (equitable treatment).
- Offer guided pathways with embedded CPL.

- Flip the CPL process (colleges petition students)…AND
- Measure progress by awarded CPL (student focused)

Scenario

On a VA compliance visit, you were asked to show:

--Where students find your policy and process on reviewing prior learning for credit;

--Evidence that you collect and analyze JSTs for CPL;

--How many credits your SMs were eligible for and how many they received.

How do you respond?

SCO Handbook and Prior Credit

"One of the criteria for approval of any school for Veterans' training is that **it reviews prior credit and grant credit as appropriate to a VA student's current program**."

"...Schools **must evaluate prior credit, grant credit as appropriate, notify the student of the evaluation, and shorten the program certified accordingly**. Whenever a student initially enrolls in your school or changes programs at your school a credit evaluation must be completed. **VA will review credit evaluations during compliance surveys and credit evaluation records must be kept and made available to VA upon request**."

"Schools should **make every effort to obtain transcripts** to comply with the requirement to evaluate and grant credit where appropriate.

"Reviews of prior credit policies will be conducted during compliance surveys and treated as approval issues if the school is not complying."

CCC CPL Mandate

Mandate: Assessment of Prior Learning

Title 5 55050 Item (j) …a student, upon completion of their educational plan…shall be referred to the college's appropriate authority for assessment of prior learning if the student is a veteran or an active-duty member of the armed forces, holds industry-recognized credentials, or requests credit for a course based on their prior learning.

Question

How do you ensure equitable recognition of the experience of two Military Police personnel who enroll in your institution at different times?

Do you evaluate their prior learning on an individual basis?

1. View Transcripts Online

JST offers online accounts to learning institutions enabling access to service-member's official transcripts at no cost. The transcript on the web is exactly the same as the transcript you receive in the mail. Transcripts ordered are available for viewing/downloading the next business day and an e-mail is automatically sent to the points-of-contact at your institution to inform them that there are transcripts available online at the secure website.

Please note that authorization is not being granted for an institution to order transcripts, only to access them online once they have been ordered. Students can order transcripts online by authorizing release or they can fill out a request form for an official JST, with a signature to authorize the release of the transcript.

2. Order Transcripts Online

Your account can be upgraded to permit you to order transcripts as well as view them online if you meet the one of the following conditions:

1. Prospective students agree to allow your institution to request all transcripts on their behalf. Permission can be obtained via the checkbox on the student application or on the web. You can fax or e-mail a blank application showing the section where the prospective student would grant this authorization.

2. Your institution agrees to not order transcripts unless they have a signed release from the service member. This requirement can be satisfied by sending an e-mail to us stating you promise to never order an official transcript without a signed release from the service member.

3. Establishing an Account

Our policy has recently changed. To have an account established to enable online viewing of official JSTs for your institution, we will need a request form filled out for each user requesting a login and sent back to JST. You can download a copy of the form here: Academic Institution Form.
You have several options of getting the form back to JST. You may fax, mail or email this document to us.

Our mailing address is:

ATTN: JST Tech/Operations Center, N644
6490 Saufley Field Rd
Pensacola, FL 32509

The fax number is (850) 473-6013. Please have faxes made out to ATTN: JST - New School Account Request.

Requests can also be sent directly to the JST Tech/Operations Center: jst@doded.mil.

PLEASE NOTE THAT WE ARE CURRENTLY EXPERIENCING AN **EXTREMELY HIGH VOLUME OF REQUESTS FOR ONLINE ACCOUNTS SO ALLOW AT LEAST 5 - 7 **BUSINESS** DAYS TO RECEIVE YOUR ACCOUNT INFORMATION**

4. Login Assistance and Technical Concerns

If you experience login issues, you will need to contact the JST Tech/Operations Center directly for assistance. Please note that the "forgotten password" feature listed on the login page is **NOT** enabled for institutions, but for service members ONLY.

For login assistance or other technical concerns, please send an e-mail to jst@doded.mil and include the nature of your issue, as well as any error messages you may be receiving. This will assist us in resolving your issue in a more expedient manner.

MILITARY ARTICULATION PLATFORM

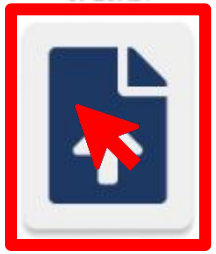
The most thorough method is to upload a copy of your Joint Services Transcript (JST)

UPLOAD:



If you do not have your Joint Services Transcript (JST), you may download your JST from the DOD Website by Clicking here.

Another quick (but less thorough) method is to enter the MOS(s) or Rating(s) listed in your DD214. You may also enter ACE ID(s), which refer to specific military courses listed in your JST.

Search by one or more Military Occupation or ACE Codes

MOS / ACE *Enter MOS / ACE ID or Keyword to search*
